

(2) Spend the time reflecting on Isaiah 6:1-8

- o What TRANSITIONS, CHANGES & FEARS do you think, King Uzziah's death brought about (Isa 6:1)?
- o What IMAGE of God stands out for you from this time of uncertainty? How does it speak to you?
- o In this context of of CHANGE & INSTABILITY, how does Isaiah, the man, his posture speak to you?
- o What is God impressing upon your heart & saying into your situation?

In the coming months ..... MANY CHANGES will be coming to KNOCK ON OUR DOORS. It will be both on a personal plane & in our movement. LIFT UP YOUR EYES ... & begin to peer into what might be in store for us .....

What are these CHANGES going to be?

How might these ENRICH your life?

What LOSSES may you experience?

PERSONAL CHANGES

MOVEMENT CHANGES

At REGIONAL levels?

At NATIONAL levels?

How can this ENRICH you all?

How might this DE-STABILIZE you all?

FEARS you might have at this time ....

**“Good goodbyes are precursors to good hellos!”**

WHAT & WHO will you need to say GOODBYE to?  
How will you begin to say goodbye?
